QR Code Link to This Post I have one opening in my in-home childcare/preschool. I am a state licensed provider with 10+ years experience. I have two dedicated indoor childcare spaces and a nice sized fenced in outdoor space. I'm conveniently located on the border of New Berlin and West Allis, near 124th and National Ave

My opening is for a child aged 2-5y. My hours are 7:30am to 4:30pm.

At Little Sprouts Learning Place we work on learning self-help skills, sharing, name recognition, and following simple directions. Lots of play is also provided daily, children learn so much through play. Along with our weekly themes we work on letters, numbers, shapes and colors through our daily activities. This will help your child's transition to K4/K5 be as smooth as possible.
