I just bought a fixer upper house and need random help.

Mostly cleaning, wiping down walls, sanding, painting, scraping paint chips, etc.

Experience painting is a must.

Prefer people close to me. The wawa at 6001 ironbridge road is about 2 miles from me so if you are close to there that is helpful. Work will be done with me and will be mostly late afternoon and night (sometimes late till 3 or 4 am)

Please respond only if you are ok with late hours. There will be a 2 hour minimum amount in case we don't work together well. But if we do, we would probably work 5 hours or so depending on my mood. Breaks are unpaid.

Must be a good listener, able to be thorough, and basically not a slacker.

If you meet this criteria please send the following. If you do not send everything asked for, you will not be considered.
