QR Code Link to This Post I have three gorgeous kittens that are 11 weeks old. All three are siblings, and must be sold together! They would be devastated if separated! The female is our baby Nova, she is a total doll. She was the runt of the litter, but is feisty and playful. Then there's mighty mouse, and he is a giant teddy bear! He loves to give kisses and loves to snuggle! And last but not least, we have Senpai. He is a cuddle bug and has the prettiest purr you'll ever hear! All three babies are potty trained and adore one another! I am asking a \$130 homing fee for all three. That's for the kittens as well as their giant litter box and scoop, brand new bag of food, brand new big box of litter, and their food and water dishes. I am heart broken that I have to get rid of them, my fiance and I have had them since they were 5 weeks old. We are needing to move and can't take our precious fur loves with us. I am trusting their new owners to be kind and loving to them! These are my kids, and they deserve a loving forever home! I need them gone ASAP. I'm located in Rock Springs, but can.
