Are you looking for a vocation that uses your gifts of creativity, that requires an appreciation of spirituality and ritual that will be a way for you to give voice to God's call? Are you interested in quality worship, a chance to teach, supportive colleagues, a caring community, variety, lifelong learning on the job, incredible opportunities to care for others and a place to use your imagination?

If that sounds like you, the Anthem Network may be the place for you!

The Anthem Network provides spiritual covering for those ministers seeking accountability and fellowship, we also offer mentoring for those seeking ordination. We are a network of progressive Christian leaders and faith communities that are Affirming, Sacramental, Evangelical and Charismatic. We are a network who embraces diversity and we encourage our members to explore faith and spirituality as the Holy Spirit guides them. Today we are a small network but we recognize that there is an opportunity for God to provide us with partners with a variety of gifts to see our vision realized.

Visit our website www.TogetherAnthem.com and learn more about our vision, our identity and our values. In the meantime, if you are interested, please emails us to get the conversation started!
