QR Code Link to This Post We have cute miniature dachshund puppies 4 males and 4 females, they 10 weeks old stunning cute All longhair puppies brothers and sisters. They are vet checked Registered /registerable, Current vaccinations,Health guarantee. The puppies are very playful and are all of absolute temperament as they also love playing with kids and other household animals. Below is a little description about the breed before adoption. - Miniature Dachshund coat may be smooth, long, or wire-haired. All have distinct appearance. Colors can be reddish-brown, black, tan, chocolate brown, deep chestnut in reddish-brown, and black and tan. The hairs on the wire-haired Miniature Dachshund should lie flat and be as hard as possible. - Miniature Dachshunds are energetic, brave, intelligent and independent. They are quite happy, even clownish, and can behave mischievously on occasion. The Miniature Dachshund greatly enjoys interacting with humans and is quite friendly and outgoing at home. Miniature Dachshunds make fine companions and are not typically used as hunters. - The Miniature Dachshund is somewhat reserved around strangers and may bark at them, but forms a strong bond with.
