All supplies provided. Be capable of conversation and be comfortable with being around nudity and OK with working naked. Attitude and punctuality are more important than your appearance, I don't care if you are slender or chubby, young or older, white or Hispanic, prefer no AA, sorry personal preference based on past bad experience. This is as much about the company as it is about the work. Pay is \$20/hour. Expect about two hours work first session, with future sessions to come. You should live within a 15-20 minute commute, have reliable transportation. Replies with pictures given first.
