

Henderson Academy of Music provides in-home music lessons to kids, teens, and adults. We offer instruction for voice/singing and every major instrument, including:

Piano/keyboard, guitar, drums/drum set, bass, violin, cello, viola, saxophone, and trumpet.

As a student of Henderson Academy of Music, you or your child will receive quality, one-on-one private music lessons once a week. Your teacher will come to your home for lessons...busy parents love the convenience!

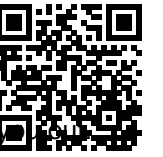

Our Philosophy

- >Playing a musical instrument should be fun
- >When kids play songs they like, they enjoy lessons more and ultimately learn much faster.
- >Students have FUN learning! They get to learn contemporary music...not just classical
- >Our teachers are great with kids. They are patient, engaging, and positive.

Of course, classical and jazz are also taught to those students who are interested. Beginners learn the fundamentals of music: proper technique, note-reading, basic, theory, etc.

>No-commitment trial lesson!

>Annual student concert!

Lessons are given only once a week. We have teachers all over the country, so if you have something specific you're looking for, we can most likely help. We have teachers all over, so no matter where we live, we probably have a teacher who can come to you.

Tons of 5-star reviews on Yelp Here is one of them:

Our daughter has been taking piano lessons with Henderson Academy of Music for several months now, and we are very happy with their service. It's very convenient that teachers travel to your home and my daughter loves her teacher Katie.
