QR Code Link to This Post Hello, my name is kimberlynn and I'm looking to rehome a friend of mines sweet cat. She's barely a year old and has had a hard start at life, yet she loves human interaction and to be pet. She's playful like a kitten but also well mannered. She will still need help using a litter box as her former owners didn't instill that value in her, however she is smart and I'm sure will learn quickly. Feel free to call or text with any additional
