QR Code Link to This Post found kitten in our yard. His been interacting with my kids and is needing some work with litter box training and trust. His A Little SKITTISH but enjoy attention we can't keep them as we have 4 large dogs that I'm afraid might hurt him trying to play. His medium hair black and white that we believe is male. I believe his about 2 to 3 months his eating hard food they do need flea treatments as they have been outside their whole life. They have had no vet treatment. I can not deliver they are
