QR Code Link to This Post I am providing care in my home for a very small group of children. I am a very reliable and dependable provider who takes pride in her work. I love caring for children and watching them grow into productive little people. I have many years of experience with children in a professional and personal environment. In addition, I have a degree in psychology with a specialization in youth development.

I have a planned out schedule for daily activities. We will work on various activities throughout the day such as alphabets, numbers, shapes, social skills, learning to share, manners and having patience with each other.

My home is very tidy, safe, smoke free, and pet free. I offer full-time and part-time care. I am open to Drop-ins, but I would prefer a call prior to dropping child/off. My hours of operation are Mon - Fri 7 a.m.-7:00 p.m. but if you need something different, just ask. We may be able to be work something out. Weekend rates also available.(Prices will vary)

4 yr old & older \$75 weekly

3 yr old \$85 weekly

\$2 yr old \$95 weekly

1 yr old and younger \$115 weekly

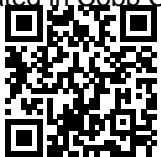

(Discounts provided for multiple children)

My prices are very reasonable, and you definitely get what you pay for. I do work one on one with each child and I also have a limit on how many children I keep. I provide meals and snacks but you're more than welcome to provide your own. I have nap time sleeping mats, but you must provide blanket.

I'm located in Cobb County (Powder Springs) so I welcome Austell, Marietta, Smyrna, Mableton, Hiram, all areas are welcomed. Please feel free to contact me.
