QR Code Link to This Post Hi I have a 2 year old son his name is casen. I recently just got a job but I don't start until next week and since it's biweekly, I Want have any money for Christmas presents sadly. I really want to get my son something for Christmas, especially since I couldn't get him anything last year. He loves paw patrol and hot wheels so I wouldn't need much money. I just want to get him something I'd hate to spoil his Christmas again. I have an cashapp account I just signed up for in hopes that some one could send me something it's \$!tsmebae ... I honestly couldn't think of a name to use lol..anyway thanks for reading my post and acknowledging my post. Hopefully I'll get something and I'll update you guys when I received a decent amount.. don't need much just probably \$75 ... \$100 at being.
