my name is Eddie and I do all kinds of home restoration and repair. I do the work for those guys that are licensed and they charge you the extra hundreds on my labor. Buy direct from the guy doing all the work and save yourself some \$\$\$.

I also build/repair/restore/replace just about everything including but not limited to doors, windows, tiles, roofing, drywall, plumbing, locks, security, fences, iron gates and electrical. The bigger the job the more your gonna save. Merry Christmas to you!!!
