QR Code Link to This Post Recently purchased a 65 " tv from Antioch Costco, and I'd need someone who's trustworthy. My car is too small (yes, already tried to get the box in the car) so I need someone with a truck / large SUV to kindly help me, load it in your car, drive it to my place, and help get it to my front door. I live less than a mile from Costco, so it's not far at all. Buchanan Rd & Lucena Way - are the cross intersection, so you get an better idea.

I can pay \$ 10 cash for your trouble. Just let me know when you're available, and we can go from there. I won't be responding to emails with phone numbers only. I will respond only in email.

Please don't email me, quoting a higher price than \$ 10. That's all I'll pay. Thank.
