QR Code Link to This Post I know alot of you guys are starting off and learning about cloud mining. I myself like many others have found that not all sites are legit and many are scams. I have lost my share of funds. These sites I have found and use have payed and have been running a long time.

Hashflare
https://hashflare.io/r/66429380

This site provides 1 yr contracts and prices are low per hashrate.

Telcominer https://telcominer.com/signup.php?ref=142403

This site provides 15kh of hashrate free and have found to be efficient and all contracts are lifetime and start at reasonable price. $20 can start you off well.

Crypto Mining
Â https://www.cryptomining.farm/signup/?referrer=5A2B7F862B427

This site provides 50gh of hashrate free. They have contracts from 3 months to life all very reasonable price.Â Here $40 can start you.
