QR Code Link to This Post Looking for about 2 or more acres in or near the Los Gatos/Santa Cruz mtns/ hills.

Open to the right property just about anywhere in or near the Los Gatos/Santa Cruz hills or mountains.

Seeking a property with an independent water source, a Spring or a Well in place. Also would like the parcel to have a basic (legal?) structure or trailer on the land.

A fixer is fine, as long as the building is "permitted" with No red tags. (Or the county is unaware of the structure) Buildings w any serious mold are not of interest.

Please no major land slides.

Budget is about \$350,000. or less. An Owner Will Carry or Lease to purchase option would also be ideal.

Please contact me if you have something available of similar description.
