I'm a 36 year old working professional (Tesla).. I have a huge place with several extra bedrooms. I use most of the space for work and personal projects.. It's very messy and I don't like to clean. I'm looking for a live-in maid/language tutor. There is a lot of work to do and you will be busy, but depending on the fit, I'm willing to offer free, or close to free rent. You must be an Asian female willing perform maid regular duties. Bonus if you speak an Asian language.. I am forever curious and love to learn new things, interested in learning an Asian language, not important which but Chinese, Vietnamese or Japanese preferred.

Thank you for your time and consideration.

Best,
