My name is Amber & I'm an extremely loving, nurturing, caring 27 year old mother of two girls ages 7 & 5! I'm currently looking to provide care for a few little ones in my home! I provide a safe, smoke-free, emmaculate, pet free home & I can assure you your children will feel as comfortable as possible. I have tons of toys, movies, puzzles, books & games. I am also CPR/BLS First aid certified, prior to staying home I was a medical assistant working in fields varying from pediatrics to general family care. I have experience in watching kiddos for over 7 years now. My daughters are both currently in school & I'm looking to help out some other families to fill my time! As a single mother I know how difficult it can be to find good reliable affordable care, Therefore I'm very negotiable with my rates. I also have a reliable vehicle with a current drivers license & Insurance if help is needed w/ any type of picking up or dropping off etc. I am available to provide care for any age children including infants. Weekdays, weeknights, overnights, after school, school breaks, whatever it is you may need just give me a shout & we can set up an interview to further discuss your families particular needs & answer any questions you may have! I live conveniently right by Belmar shopping center right off of Wadsworth in Lakewood. I am also more than happy to provide delicious, healthy snacks & meals as well.

I can be reached through email, or you can text or call me! I look forward to hearing from you!
