QR Code Link to This Post My name is Alexis, I'm 27 and I love kids, I have 2 of my own but they are away for Christmas break. I've been babysitting since I was 19 and I'm CNA and CPR trained. I would love to watch some kiddos for you whike you go to work or school or date nights. I have good, low rates because I know how hard it can be to find GOOD cheap child care. \$25 a day and \$100 for a week (5 days). Im available any time! Let me. (:
