QR Code Link to This Post We are looking to add two seasoned Sales Managers to recruit and manage door-to-door sales teams. Our company, Satellite World, a retailer for DirectTV, is looking to add another sales team and expand our sales force. We want someone that's highly motivated, determined, and ambitious. This is a commission-based position with top-tier pay for managers. We are only seeking applicants with experience in the industry. We provide all the materials and operate the business at our headquarters. We expect you to build your own team and in turn, we will provide you with the freedom to determine the individual operation of your team. We need managers who are natural leaders and tenacious enough to make it to the top. Current managers that have teams and are looking to be compensated more for their work should contact the number.
