I have a very lovely 4 year old townhome that I am renting a room and shared bath (share with a very clean person) with full use of the entire home located in Laurel, Md. It is AVAILBLE NOW. CHRISTIANS ONLY PLEASE. Also no smokers not even outside. You will share the utilities with me and one other but they are very low in cost. The house is a must see, it was the model with a gorgeous backyard. Please email me your contact PHONE NUMBER and the best times and days to reach you. Please do not respond if you are not going to include your PHONE NUMBER. I also do a detailed BACKGROUND CHECK so please do not answer this ad if you will not pass the BACKGROUND CHECK. There is plenty of parking throughout the entire neighborhood even right next to my house. No pets please, not even caged.
