QR Code Link to This Post My name is Melanie, my husbands name is Jason. My husband and i have been trying for sometime to have little ones of our own. i recently figured out that i cant have kids. My husband and i are financially stable, we live in a 3bd 2 bath home. we are ready to take the next step. If you are pregnant and don't think you can financially handle a newborn or you just don't want a child right now, please email me, and i will gladly get ahold of you and give you my personal information!
