We are Lorraine and Danny hoping to share our life and love as first time parents through the miracle of adoption. We are a warm, funny and happily married couple who love spending time with family and friends enjoying entertaining at our home or on our boat watching the sunsets...we have nieces and nephews that we treat as if they were our own.... Love nothing, but Love..

Our empty arms and loving hearts are longing to welcome your newborn into our safe and happy home. You can help make us a family.

Together we can plan your baby's future.

We cannot promise to fix all of your problems, but we can promise you that you won't have to face them alone.

Legally allowed expenses paid. Call Lorraine and Danny anytime toll free at Learn more about us at www.lorraineanddannyadopt
