Since my family is mostly allergic I try and house sit for people instead. I work a full time 9-5 job and as well as work at a small local business at night from 7-9 twice a week. I do love going on walks to appreciate the weather we have and having a friendly pup to walk with is great company. I have watched many houses before and am comfortable to do so. I can keep the house clean the way you left it and grab your mail for you if you'd like as well as keep your plants alive while you are gone. If you have any questions to ask please contact me and I will get back to you as soon as I can :) About My Services: Offer: House Sitting: \$20 per night. I'm comfortable taking care of dogs who are: small (1-15 lbs), medium (15-40 lbs), Raves from My Clients: Want to learn more about me and my services? I have 0 reviews on my Rover profile.
