QR Code Link to This Post I'm a concert promoter putting on a 21+ show with national touring act Above It All at Your Mom's House in Denver on January 10th and I'm looking to add a couple more acts to the bill.

You can check out the touring band's music here:
<https://www.facebook.com/AboveItAllTx/>

I'm looking for original acts only (no cover or tribute artists) who are from the greater Denver area (or any place within an hour or so as long as you have folks who would be able to come out to the show and see you). Genres I'm open to are Rock, Melodic Metal, Alternative, Indie, Punk, etc.

This is a paid gig and pay is determined by draw so I'm definitely also looking for bands and artists that have a good amount of friends/fans that they can bring out to the show. This venue is ages 21 and up for guests, however band members under 21 will be allowed entry to play.

If you are interested and meet the above criteria, please email me with a direct link to your music as well as link to where I can see your online presence such as Facebook.

Please do not reach out if you manage a band or artist and are not willing to have them contact us directly; we will need to be able to interact with the artists themselves to confirm them for the date. You can still be involved in that contact, but we do need to hear directly from them as well.

Please note that I am only looking to fill this specific date. Do not contact me for future dates at this.
