QR Code Link to This Post Commercial GC seeking labor foreman for 18 month new construction project. Candidates must have specific experience working as a Labor Foreman and a rough helper carpenter previously.

This position involves running a crew of skilled and unskilled laborers for site clean-up, light carpentry for safety structures and backing/blocking, and punch list. Must have experience building structures such as railings and stairs so that you can show/teach the crew.

We are holding interviews on site and will require drug testing prior to hire. Please include your specific labor foreman experience with any reply.
