

DC snowboard (200 USD)

Location **Alaska** https://www.genclassifieds.com/x-780634-z

QR Code Link to This Post I have a 150.5 DC snowboard with burton bindings for \$250. It's been ridden no more then twice and it's in excellent condition. I went up to hilltop with it and it road like a dream. It's a stiffer board and has been waxed by sports authority a few years back. It also has a black stomp pad.
