So I just moved out here from Las Vegas. Staying in riverside with my sister but trying to leave by the end of January for just 8 months to get my self together for my own place! I do fashion shows. Attend shows. I'm young and really experiencing life As much as I can.

I am a young professional woman in search of a room to rent. Most of the time I will be out of the house either at my job, exploring the city, or at gigs. I usually keep to myself while at home; listening to music, painting , cooking, or watching my movies . I do smoke weed but would respectfully smoke out side. Just had to throw that in there.

I'm super laid back, quiet and just need a place to relax after a long day of work. well-mannered, quiet person . At times I do come in late due to work and social gatherings

À I am quiet, respectful, and tidy, I could possible afford up to 750 if utilities were
