QR Code Link to This Post 1997 Ford f150 2wd lariat edition. 245000 miles. 4.6 v8. This has been a great truck for me but I just bought a new one so I no longer need this. It's been a great reliable truck for me for the last 6 years. Oil changes every 3k miles. New fuel pump in 2015. Tires with less than 10k on them. New starter. Oil change with less than 100 miles. . If you have any questions just let me know. 1500 obo. No need to sell so don't low ball me but shoot me a offer and let me
