QR Code Link to This Post We have a beautiful white and black cat for rehoming. He is 2 years old. Currently he is an inside/outside cat, but was strictly inside cat up until 4 months ago. Not fixed, but no problems with spraying or marking territory. He is litter box trained and will come with his box and his dish bowl. Great tempered and super lovable. Lap cat and loves to be pet. Loves Temptation treats too. Had shots when he was a kitten and rabies, but is definitely due for current shots. Due to unfortunate housing changes we are not able to care for him any longer. Small rehoming fee of 25, but can be waived to the right.
