Considering Adoption??

We are a family of three who will provide lots of laughs, a safe home and unconditional love!

We are high school sweethearts who are married over 12 years and parents to a little guy already! We own our own home here on Long Island.

This would be a Private Adoption, no agency, so you can contact us directly at any time! Our adoption would be with an attorney. All expenses paid! We have a completed home study!

Our hearts and home are ready for a special little one to come join our fun family!
