QR Code Link to This Post Looking for a good handyman worker who's experienced in drywalling and other handyman skills. But more so dry walling. First I have some dry wall repairs needing done in my basement in Farmington hills. Must have own transportation, tools for dry walling( also a stud finder to hang a few pictures as well)...No substance abuse issues like drug & alcohol or hygiene problem, because you will be turned away. If you are interested then send me an email. Thanks.
