QR Code Link to This Post I have a 3 month old Shiba Inu dog I need to rehome asap due to change of job and we are not able to spend a lot of time with her she is up to date on all shots.

She must go to a good home where she will be well taken care of. She has not been spayed. She gets along with other dogs very well.

She is super active. She likes to get out and run around. She is so sweet, friendly, and loves car rides! She is an inside and outside dog.

She is not completely house trained but she will let you know when she has to use it. She hasn't had any accidents. Her name is Iris. She is fully up to date on all her shots.

Beautiful brown color, great personality. She needs a loving family who has time for her since I'm always on the road as a nurse.

I will only allow her to go to a home where the family is familiar with dogs. Rehoming fee applies.

She's not for sale but for adoption so don't email asking why she's so cheap. Please email for info
