QR Code Link to This Post I have one male(Shih Tzu Poodle) finally ready to find his new family. He's 8 weeks old. He has a great personality and does well with children and other pets. First vaccination has been done and deworming, will grow to be around 10 pounds. He's healthy, sweet and playful. There is a rehoming fee for him. Please tell me a little about yourself so I know what home he will be going to. If your interested, please email me and I can send more information, thank you in.
