QR Code Link to This Post We have an A frame house on the lake about 90 percent done except for enlarging the kitchen. Has its own well and septic tank. The lake is about a 100 yards in back of the house. The property joins the core land. So far just about everything has been replaced. New wall studs, insulation, floor, roof, well house,wiring plumbing, lights, windows. Has tile, carpet and hardwood flooring. We are getting ready to extend the kitchen out so the price will increase by quite bit. Right now the price is \$54300. This is how much we have in it. For more info. Call ( landline)
