What is different about New Concept Daycare compared to "conventional" daycare?

Key Differences:

1) Staff member/dog ratio

"Conventional" daycares will have 1 staff member with a group of 15 dogs. We will never have more than 8. This provides for a safer environment and minimizes possible incidents.

2) Structure

Your dog's day will be structured. No more running around a room with 14 other dogs all day, in hopes that everyone plays nice. Group play, buddy play, and 1-on-1 time with a staff member are daily activities, all timed sessions, along with chill and nap times, which is essential for a dog's well being and happiness.

3) Personalized for your dog

The small playgroups are selected based on similar interests that your dog shares. Your dog will also get 1 on 1 time with a staff member to do what your dog loves most! It could be for an extended game of fetch, a food puzzle, or perhaps some petting and pampering - whatever your dog loves!

Please call Dan at to get the process started.
