Please do your research before adopting. These are live creatures and deserve a good life. Most come to us after being purchased from a pet store and then realized it's a bit more than just a cute fuzzy pet.

---

You are welcome visit our rabbit and guinea pig sanctuary by appointment. Most of the time, everything is found online on our website Facebook page. We are Located in Makakilo and can come to choose your pet here but we can meet up in Kapolei Costco or Safeway if you see something you like on our page and you know for sure that is the one, otherwise I ask that you come and do a meet and great with the prospective pet.

Please Know/understand the difference between adopting from us and buying from a pet store or someone else. We help you with the care and support of the rabbit or guinea pig. We provide support after the adoption and charge 1/2 of the price in pet stores. Look at our Facebook ratings and reviews. Not here to sell you and leave you. That what buying means, and that is how we got all these loving pets up for adoption. We are here to help you through out the process!
