QR Code Link to This Post Two young professional women looking for a friendly, respectful professional female roommate to share a 3 bedroom, 1 bathroom apartment. The apartment is right next to the Kendall T stop, adjacent to MIT, and offers a view of the Charles River through the living room windows and balcony. We share a fairly large kitchen, as well as a large living room space. There is a closet in the room, and three more in the hallway that are shared, as well as a coat/shoe area in the entry way. The apartment building has a large laundry room downstairs, a small gym, a meeting/party room on the top floor, and has a 24/7 concierge (they accept packages and assist guests).

Rent is \$1328, and we split the electricity and internet bills (roughly \$50/month). The management needs security deposit and first and last month's rent (1328*3)

We are easy-going, friendly, fun, respectful, and maintain regular working hours. We occasionally have guests/friends/dinner parties, but are not interested in excessive parties or loud jam sessions at all hours. We are also not looking for any smokers or pets. Move in is Nov /Dec/1st Jan but we can accommodate an earlier date. Feel free to reach out to us to request additional details about us, or the apartment.
