QR Code Link to This Post I'm looking to expand my portfolio as well as practice capturing the human form. I'd like to photograph a woman in a classic style. Preferably older (40's +) but will consider late 20's-30's if you fit the vibe. Would like to meet first before scheduling anything. All edited photos can obviously be used by the model as they see fit. Will provide sample photos in email or upon first.
