QR Code Link to This Post Looking for models of all shapes and ages 18+ for a boudoir fantasy calendar. Think fallen angels, lamiyas and other greek mythical figures brought to life. This is not a pinup project but a glamour and photoshop project. Tattoos scars etc will not be a problem. Same with stretch marks, I can photoshop those out. Neither would your age gender or ethnicity. In fact if you are in your late 30's or 40's, I would love to shoot you as a mythical queen. The calendar concept is for my own portfolio. You will also get a copy and I will take your explicit permission before I use any of your photos for any.
