Hi,

Are you removing a small animal due to moving or no time ect? I can help. I have experience with reptiles off all kinds any type of fresh water fish and exotic animals as well like hedge hogs sugar gliders ferrets ect. I am offering to take them in and give them a wonderful home. at the bottom is a list of animals i can take at this time. If you have a animal that is not on that list feel free to contact me and i will work something out. I am willing to pay a small rehoming fee. i DO NOT trade or resell animals. I am willing to send pictures of my current animals as well as i have many open setups if your loved pet does not come with one. You can even ask for updates and come them to see. I have snakes,iguana, beardies, frogs, water dragons,fish. I can take ferrets, hedgehogs, sugar gliders, rats and water turtles.
