QR Code Link to This Post I am Hiroshi Minato, a Boston-based men's contemporary jewelry artist. The museum shop of the Wadsworth Atheneum Museum of Art started to carry my work recently. I am interested in learning more about the art scene in the Greater Hartford area.

I would appreciate any information you can share about art events, shows, designers and crafters. I will be visiting soon and would love to connect with those who share the same art passion.

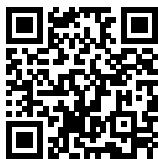

As for my work, you can find it on Instagram @hiroshiminatojewelry or my site (<http://hiroshiminatojewelry.com>). Looking forward to connecting! Hiroshi
