QR Code Link to This Post I am looking for a female (18-40) with large breasts. You don't have to be a knockout, just a girl with an ample bosom.

If you wear anything smaller than a c cup, please do not respond.

What am I looking for? I want to photograph your large full breasts for my private collection.

If interested, please respond with bra size, pics and availability.

Great gig for college students.

\$200 per/shoot
