

Introduction:

We are an English education business. However, this time we are hiring Japanese teachers to work from home to teach Japanese to students and professionals.

We are looking for friendly and outgoing, native Japanese speakers, who are able to lead a variety of Japanese classes using an Skype from home.

Teacher will provide own class material to student.

Student information:

Would like to take Japanese lesson to improve conversational skill

Would like to take class between 7-9 PM Tokyo time, but it can be adjusted based on teacher's availability

20 minutes class Monday through Friday

Qualifications:

- Be a Native-Japanese speaker
- Have a good understanding of Japanese grammar basics
- Be punctual, patient, organized and have strong multi-tasking skills
- Must have computer (PC preferred) and access to a reliable high-speed internet connection
