QR Code Link to This Post Looking for a girl to give me a haircut in a Bikini or other attire! I'm an easy cut and you don't need to be a cosmo to do it. Just kinda know what your doing.

I'm 33 tall 6'2" athletic build with a good job and a fun out going personality. Looking for someone to cut my hair and have a fun time. Either be at my place or yours. Please send me a message and we can go from there. !
