QR Code Link to This Post Looking to hire an experienced handyman to help our three restaurants with repairs and maintenance.
25-30 hours per week and year round.
Workshop is located in Back Bay.

Job consists of:

Small carpentry jobs, lite plumbing, small electrical repairs, fixing and refurbishing of tables and chairs, painting, staining, cleaning, changing light bulbs/filters etc.

You would have your own workshop to work in, you may bring your own tools and they can be kept safe.

We are looking for someone that is very skilled in carpentry and works well on their own, who is strong and speaks well.

Projects or repairs will be given out thru out the week. We prioritize according to our needs or emergencies.

Monday - Friday (unless we have a big project where you could help us with an odd project)

Must be friendly, able to communicate very well. verbally as well as thru text and or email.

Serious inquires only.

If interested please call me.

Tracy
