QR Code Link to This Post Hello! We have ongoing local art classes that are in need of female figure models to pose for the students. We have both drawing and sculpture classes that meet on Saturday mornings and Wednesday night twice a month. Experience is not necessary, but all models must be a minimum of 18 years old and be comfortable posing in front of a group. The pay is \$75/hr and is in cash at the end of the class. The classes usually go for up to two hours with short periodic breaks. We would love for you to join us and help support the local arts. Thank!
