I've now bought a full set of art materials, and I'm drawing again."

For on-island residents and off-island guests, Muaisa Hale Pule ("As I Aum Sanctuary") offers an exciting 8-NIGHT/7-DAY one-on-one art tutorial with university-trained artist, professional muralist, visionary and shaman, Chief Jack 'Golden Feather'Alexander. Regardless of your current artistic abilities or lack thereof (no particular talent or previous training required), we open this opportunity for you to access your emotional body, develop your Third Eye, and explore your inner landscape. At last you will be able to release outworn memories and behavior patterns through the Heart-Mind of creative self-expression and unconditional love! "I woke up in a state on the day after I arrived and was in no mood for fun.
The quality of Jack's attention (focused but not doting) was just what I needed
to pull me out of my doldrums." -- A. J., Paralegal, USA Upon successful completion of the program, if you feel called to be a shaman or healer, and if you place yourself in one or more of the following categories, we invite you to apply for certification from the New Haven Native American Church (NHNAC) as an NHNAC Healer/Medicine Woman or Medicine Man.

Healer of people or animals
Healer of the family unit
Healer of the community
Healer of Society
Healer of the Planet "The drawing I did on our eco-adventure is the most precious relic of my trip.
It brings the whole of my experience -- and my life -- to a heartfelt crescendo.
Thank you, thank you!" -- F.D., Artist, USA THIS PROGRAM IS ONGOING YEAR ROUND.
LODGING, WHEN REQUESTED, IS AVAILABLE ON A FIRST-COME-FIRST-SERVED BASIS.
