QR Code Link to This Post The last 2 dogs I have had were very loved and part of our family.. one was 125 the other was free and delivered on new years day from 75 miles away by owner. this dog is now my shadow and my constant loving companion and could not be in a better place the rest of his life. all this took place on Christmas eve and new years day. total of under \$100 for both combined. more money buyer has to give new dog a life in new place. Don't judge every one by the many flippers here on CL. many sellers and home puppy mills here also. do your homework and a good home can be found for your unwanted pet. money does not guarantee anything but less money for the dog to make his life easier. JUST FOLLOW CL RULES AND DO A HOME CHECK OR YOU ARE =RESPONSIBLE FOR WHERE DOG ENDS.
