QR Code Link to This Post Researchers at Beth Israel Deaconess Medical Center are looking for participants for a mental health study. The purpose of this study is to learn more about the role of sleep in learning and memory.

The SPARCS study is looking for people:

- Aged 12-35
- Who have a 1st degree relative with schizophrenia or schizoaffective disorder
- No diagnosis of psychosis themselves
- Fluent in English
- \*All Participants must provide clean urine sample.

Procedures include:

- Clinical screening
- Cognitive testing
- Urine drug screen
- MRI
- 4 overnight stays in the hospital with EEG monitoring

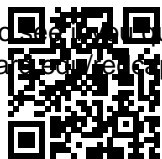

Participants can earn up to \$595 for completion of the study + travel expenses.
