

Do you have a history of depression Are you the parent of a teenager (Belmont)

Location **Massachusetts**
<https://www.genclassifieds.com/x-781707-z>

QR Code Link to This Post This study is collecting non-invasive brain imaging data on teens who have a parent with a history of depression. Teens and parents will both get paid to answer questions about thoughts, feelings, and teens will be paid for an MRI brain scan.

Teens can earn up to \$345 and parents can earn up to \$75.

Participation requires 2 sessions at McLean Hospital in Belmont, MA and one session at Massachusetts General Hospital in Charlestown, MA, and involves routine psychological assessments and safe/non-invasive brain imaging.

For more information and to sign up please continue to this brief survey: <https://redcap.partners.org/redcap/surveys/?s=FLTCKXALMX>
